## CENTRAL SCHOOL DISTRICT

### Message from the Superintendent

The start of the 2022-2023 school year came with a renewed energy and enthusiasm. With the relaxed COVID-19 rules and regulations, the district was eager to provide a sense of normalcy for our students, faculty, and staff.

On Wednesday, August 31, and Thursday, September 1, the district held Superintendent's Conference Days to finalize our preparations for the 2022-2023 school year. This year, as part of my "Welcome Back" message for our faculty and staff, I discussed how a person's memories play an important role in their psychological well-being. Specifically, I outlined how our memories contribute to our ability to imagine future events and allows us to mentally exercise different strategies in order to work through potential outcomes. Likewise, how memories can help us cope, decrease worrying about upcoming events, and give us a sense of who we are. Our past, present, and future are all linked by memories.

I asked our faculty and staff to reflect on their past experiences as a student and what memories, positive or negative, remain with them. For many of us, when we remember our elementary years, we fondly recall the classroom birthday parties, holiday celebrations, field trips, assemblies, field days, and other special events. When we think back to our middle and high school years, we remember sports and extracurricular activities, dances, the prom, and pep-rallies. Unfortunately, for many of our students, their memories of school over the past two years include mask mandates, mandatory quarantines, virtual learning, limited extracurricular activities, and social distancing. As a parent and Superintendent, these are not the memories I want for our students.

This year I am challenging our faculty and staff to provide the best educational experience possible for our students. I want our district to be a district that focuses on the overall student experience. Collaborating to create and maintain an environment where students have a positive and uplifting experience; an environment where students want to come to school and create positive, life-long memories. I appreciate this is not an easy task and will not happen overnight. However, I firmly believe if we work together and cognitively focus our efforts, we can provide each student with the best educational experience possible, and provide a life-time of positive memories.

When our students reflect on their experience at Hartford, I want them to remember the adults who worked for the school and made long lasting positive impressions:

- The bus driver who said good morning with a smile every day
- The cafeteria worker who knew you by name and what meals you liked
- The cleaner who helped you open your locker when it was jammed every day, or when you forgot your combination after the Christmas recess
- The guidance counselor who always encouraged you
- The teacher who listened
- The coach who pushed you to work harder and do better

Yes, the curriculum will be engrained, but it is the memories of our school experience that will last.

I am extremely proud to work for and represent the Hartford Central School District. It is my honor to work with our faculty and staff and to shape, mold, and cultivate our students. I truly believe that Hartford CSD is a community of educators and I am extremely proud to be a member of this team.

## ELEMENTARY SCHOOL HIGHLIGHTS FROM PRINCIPAL MANNIX

Dear Parents, Guardians and Community Members,

We have a lot of exciting opportunities happening in the Elementary School! We continue to recognize students for their accomplishments through monthly Citizens' Assemblies and have added additional awards each month. Student pictures from our assemblies are posted on the school's website for family members to enjoy. Students are recognized for upcoming birthdays, demonstrating character traits, being a safe bus rider, being Bucket Fillers, earning a Soaring Tanager Award, having their writing published in The Chronicle, receiving a Music, Art and/or Physical Education Award, as well as other student successes. This is a wonderful opportunity for us to recognize students and remind them about the great things they are doing to make our school and community a better place!

In addition to monthly Citizens' Assemblies, we have monthly Tanager Pride Days. It is so nice to see everyone's school spirit! We have also hosted Spirit Week and Red Ribbon Week themes this past Fall for students to participate in. Nearly forty students in grades 3-8 participated in this year's Turkey Trot (see back page). Students have also been participating in after school activities such as, Intramurals, Learning Club, Elementary Student Government, Hartford Star Newspaper Club, Tanager Voices, Pumpkin Painting, and Battle of the Books. I look forward to additional opportunities for our students.

In addition to our Fire Safety and Snow Plow Safety (see page 3) Susan Smith from our Transportation Department also organized a presentation for students on Bus Safety during National Bus Safety Week. The importance of following bus rules is always a good reminder for students. That same week, faculty, staff and students were found wearing orange on Unity Day to unite for kindness, acceptance and inclusion to prevent bullying.

Thank you to parents for participating in Parent-Teacher Conferences in-person, via phone or video conference in November. As always, please do not hesitate to contact myself or your child's teacher with any questions, ideas, concerns, or thoughts. Also, please make sure you check Class Dojo regularly, as teachers often post important information and reminders daily or weekly. Communication between home and school is key to the success of our students.

December has provided us with the opportunity for author visits, in-person and via Google Meet. Students are always amazed to listen to authors tell their story of how they began writing. The process is exciting to hear about, and I hope it encourages students to write and create stories themselves. Students also submit monthly entries to The Chronicle. Students enjoy writing to answer The Chronicle's "School Views" questions in hopes of having their article chosen for publication.

I appreciate the opportunity everyday to interact with students. I am so proud of their manners and random acts of kindness that make our school a great place to be! Parents, thank you for your support at home...together, we can have a tremendous impact on our children's development!

Best wishes for a happy, healthy 2023!

## SAFETY FIRST

The district thanks Mr. Greg Brown, Mr. David Swezey, and Mr. Michael Swezey of the Hartford Highway Department for visiting our elementary students to talk to them about snow plow safety on December 8, 2022. The students first gathered in the library to learn the importance of staying away from the roads and being aware they are not always visible to snow plow drivers from their points. Mr. Brown also had chains and shoes from the plows and explained these heavy pieces of equipment could break free from the plow and become dangerous projectiles.

The district also thanks members of the Hartford Volunteer Fire Company who visited our elementary students to talk to them about fire safety in conjunction with National Fire Prevention Week on September 30, 2022. The Hartford Volunteer Fire Company members included Hartford graduates Lucas Casey, Harrison Cornell, Brandon Harrington, Matt Mercure, Dakota Morrow, Michelle Morrow, and Tim Zinn. Seth Burch and Joe Charland, two of our numerous students who are junior firefighters, did a great job talking to the younger students.

## TARINA HUNT SELECTED AS DAR RECIPIENT

The district is pleased to announce Tarina Hunt as the recipient of the Daughters of the American Revolution Good Citizen. Tarina was nominated by faculty and voted by her fellow class members as best exemplifying the characteristics of dependability, service, leadership, and patriotism.

Tarina serves her peers as president of Key Club, and she is a member of the National Honor Society. Outside of school, Tarina volunteers for the American Suicide Foundation by helping with the Out of the Darkness Walks. She has also volunteered at the Kingsbury Baptist Church's roast beef dinners.

Upon graduation, Tarina plans to begin her studies in biology at SUNY Adirondack with the goal of becoming a coroner.

## HARTFORD STUDENTS TAKE THE LEAD

Area students took the lead in planning the 2022 WSWHE BOCES Student Leadership Conference held Wednesday, November 16, at the Six Flags Great Escape Lodge and Indoor Waterpark. The conference was organized by a committee of students from Fort Ann, Fort Edward, Granville, Hartford, and Whitehall and advised by Hartford CSD's Middle/High School Principal Shelley Dupuis.

Hartford students on the planning committee were Lilly Stokowski, Raeghan Liebig, Jesse Baker, and Nathan Fiske. They were joined at the conference by Hartford students Lukas DeCota, John Gauthier, Hanna Gibson, Silver Stewart, and Gabriel Stockowski.

The entire conference was planned and executed from start to finish by the students. Planning began in the spring with the selection of students who have demonstrated leadership, academic excellence, and are positive role models for their peers. The committee chose a theme and selected a keynote speaker. This year's theme was Students Mature In Leadership Experience (SMILE) featuring motivator and comedian, Chris Bowers, who has presented in 42 states and to over two million people throughout his career. Mr. Bowers speaks to audiences about the power they have to take risks, and have confidence in themselves. He uses humor to build camaraderie with students so he can encourage them to overcome their fear of failure and fear of what others may think of them. He emphasizes positive ways of dealing with frustration and conflict resolution.

The table seating was purposely arranged for students to break away from the comfort of friends and familiarity and connect students from other districts. The student activities included a Chris Bowers version of "Rock, Paper, Scissors" and then "Getting to Know You Jenga." The students also learned the importance of flexibility, as the inclement weather caused a later start, which required the schedule of events to be modified. Additionally, several school districts expected to attend had to cancel due to school closings. However, in the words earlier from the keynote speaker, Chris Bowers, the students smiled and adapted.

**Back row (l. - r.)** Lukas DeCota, John Gauthier, Jesse Baker, Nathan Fiske  
**Front row (l. r.)** Gabriel Stokowski, Lilly Stokowski, Raeghan Liebig, Silver Stewart, Hanna Gibson

## BACK PACK PROGRAM

With food costs rising, our backpack program continues to support our students in food-insecure homes with nutritious, child friendly meals on weekends, when other supplemental food programs are not available. Each bag contains approximately ten different purchased foods designed to provide nutrition and calories for the children over the weekend. These are kid-friendly, shelf-stable foods that require no preparation or refrigeration. Children can just “open and eat” without adult supervision.

Our backpack program is run in conjunction with the Regional Food Bank of Northeastern New York. There has been a generous outpouring of support for the initiative that includes donations from faculty and staff, community members, HCS retired teachers, Hartford Food Pantry, Hartford UP Church, Hartford UMC, Hartford Ridge Riders, many of our school student clubs, and the Adirondack League.

If you would like to make a monetary donation to support the Backpack program at Hartford Central School, please make all checks payable to the Regional Food Bank of Northeastern NY and write Hartford Backpack Program in the memo. Checks can be mailed to: Regional Food Bank, 965 Albany- Shaker Road, Latham, NY 12110

## MEET OUR NEW FACULTY & STAFF

### Mariah Ball - Special Education Teacher

The district welcomes Mariah Ball to the district in the position of Special Education Teacher. Mariah worked as a special education paraprofessional for five years and has vast experience working with children in a variety of school settings. Mariah earned a Bachelor's Degree in Special Education from Western Governors University. She then earned New York State certified in childhood education for grades 1-6, as well as special education from grades 1-6.

Mariah grew up and resides in Gansevoort, and graduated from South Glens Falls Senior High School in 2015. She enjoys spending time with family and friends, crafting, using her Cricut machine, and spending time outdoors. Mariah said she is enjoying working with each of her students and being part of the Hartford community.

### Sandra Durkee - Teacher Aid

The district is pleased to announce Sandra Durkee has accepted the position of Teacher Aid. Mrs. Durkee has worked in the district for ten years as substitute teacher. She graduated from Hartford CSD in 1991, and then graduated from Castleton State College in 1998 upon earning a Bachelor's Degree in Art Education and Elementary Education.

### Bryn Oliver - Chemistry and Physics Teacher

The district welcomes Bryn Oliver to the district in the position of Chemistry and Physics Teacher, bringing two years experience as a Physics Teacher Resident at Stillwater High School, and a Math Specialist at SUNY Adirondack. Bryn graduated from Queensbury High School in 2005, and then attended Washington College in Maryland to earn a Bachelor's Degree in physics in 2010. Upon graduation, Bryn returned to the area and earned a Master's Degree in Adolescent Education from SUNY Plattsburgh at Queensbury in 2021. One of Bryn's many goals is getting students excited about science through various engaging learning opportunities. The chemistry students have been conducting hands-on labs; general science students built their own Rube Goldberg Machine; and physics students

built catapults as one of their many engineering projects.

Bryn has several hobbies including crochet and knitting, playing both Bb and Eb clarinet in local ensembles, and is currently learning the Chinese language. Bryn is a pet parent to a spoiled cat named Ichi.

### Kelsey Purdy - Teacher Aide

The district welcomes Kelsey Purdy to the district in the position of Teacher Aide, primarily helping the fifth grade teachers in the morning and first grade teachers in the afternoon. Kelsey is a lifelong resident of Hartford and graduated from the district in 2006. After being a stay-at-home mom for ten years, she is enjoying working with Hartford's students, many who she already knew outside of school.

Kelsey has three children in the district; Blake (grade 9) and twins Aubree and Cole (grade 5).

## MEET OUR NEW FACULTY & STAFF

### Susan Reardon - Long Term Substitute ELA Teacher Grades 7 & 8

The district is pleased to welcome Susan Reardon back in the position of long term substitute English Language Arts (ELA) teacher for grades 7 and 8. Susan taught ELA in the district ten years ago, and we are happy for her return. She also taught at Hadley-Luzerne Central School District, WSWHE BOCES, Glens Falls Middle School, Burnt Hills-Ballston Lake High, South Glens Falls Middle School, and SUNY Adirondack. Susan earned a Bachelor's of Science degree in English Literature from Siena College and then a Master's Degree in Education from SUNY Plattsburgh. She is currently pursuing a Bachelor's Degree in Family and Consumer Sciences. Susan said she is thrilled to be teaching in Hartford again, and is enjoying helping her students develop a true love of reading and writing.

### Melody Sipowicz, BSN RN - School Nurse

The district welcomes Melody Sipowicz, BSN RN to the district in the position of School Nurse. Melody graduated from Hudson Falls in 1987. She then earned an Associates Degree in Nursing from SUNY Adirondack and became a registered nurse. She then earned a Bachelor's of Science in Nursing from Plattsburgh University. Melody brings a wealth of experience as she began her career in 1988 as a licensed practical nurse. Most recently she worked for Saratoga Hospital in an endocrinology office.

Melody and her husband, Jim, have resided in Hartford for over thirty years. She is enjoying seeing the familiar faces of students, faculty and staff. Her two sons, James and Andy, graduated from Hartford in 2010 and 2013 respectively. Melody has two grandchildren and loves spending time with them, in addition to traveling, hiking, fishing, which often includes their two year old golden retriever Marvin, in their adventures.

### Sarah Whaley - Teacher Aide

The district welcomes Sarah Whaley to the district in the position of Teacher Aide. Sarah graduated from Corinth Central School District and from WSWHE BOCES CTE's early childhood education program in 1999. She then pursued a career in the medical field. Over the past summer Sarah became certified as a Teaching Assistant and returned to pursuing her passion in the education field. She is enjoying working closely with Mrs. Talmadge and Ms. LeBaron to provide 1:1 services to help students reach and exceed goals.

Sarah resides in Glens Falls with her husband, Bruce, of twenty-two years and have three children, Kaleb, Izzac, and Madison. Sarah enjoys hiking, fishing, and spending time with her family.

In addition to earning athletic titles and academic achievements, he earned two bronze medals while attending the 95th Annual National FFA Convention in Indianapolis, Indiana from October 26 through October 29. One medal was earned in the four person team in the forestry career development division and the other medal was earned in the individual competition. Drake is enrolled in WSWHE BOCES Environmental Conservation and Forestry program.

### Winter Safety Tips

1. Never play on snow banks on or near the road.
2. Never build snow forts or snow tunnels.
3. Never sled on snow banks or hills near the road.
4. Never assume ponds, rivers, or lakes are frozen even if they appear to be.
5. Dress properly. Wear bright clothing. Hats, winter coats and boots will keep you warm and safe from frost bite. Be sure to tuck in loose clothing such as scarves and strings.
6. Play outside with at least one other person. Be sure to answer adults/siblings/friends if they call for you.

### Winter School Bus Safety Tips

1. Allow extra time to get to your bus stop.
2. Wear bright clothing so the bus driver can see you in the early morning and late evening.
3. Stand away from where the bus stops. Buses need extra room to stop when there is snow and ice.
4. Don't play in the snow while waiting for the bus.
5. Don't slide on the snow or ice in driveways or on the street.
6. Don't push or shove around the bus.
